Based upon the benefits verified for you by STAR, either a down-payment or co-payment may apply for your visits. Below are details regarding these payment types as well as important information for you to review.

- DOWN-PAYMENT** – Where a deductible remains or a co-insurance applies, STAR collects a down-payment per visit towards what will eventually be due once your insurance receives and processes our claims. You will be billed the difference between what you have already paid and what your insurance applies to your responsibility. Down-payments are not payments in full for services rendered.

Example 1: Mr. Smith had \$1,700 remaining on his deductible. He attended 12 visits of therapy where he paid \$100 down payment per visit for a total of \$1,200.

Example 2: Ms. Johnson's annual deductible was met. Her 20% co-insurance applied. She attended 10 visits of therapy where she paid \$22 down-payment per visits for a total of \$220.

In both examples above, patients will be billed for the difference between down-payments made at each visit and what insurance determines is the total patient responsibility due. **Initial:** _____

- CO-PAYMENT** – Where a co-payment applies, STAR collects a fixed amount per visit.
- NONE** – Based upon verification of benefits made, STAR will not be collecting on a per visit basis. Usually this is the case when a patient has a primary & secondary insurance (*no deductible to be met*) or when a patients max out of pocket has been met. A balance may be due, and will be billed, once insurance has processed all claims.

★ **AFFORDING THERAPY** - Healthcare can be expensive, and we are here to help! Our time of service payment plan allows you to pay a lesser amount per visit with the ability to pay off the balance with monthly payments. No interest. No penalties. No fees. Just help! We want you to be able to afford the care you need!

★ **STAR UNABLE TO GUARANTEE BENEFIT DETAILS** - Insurance does not mandate that healthcare providers verify and communicate benefits to patients. STAR does this as a COURTESY and in an effort to educate our patients on what they might expect. STAR is unable to obtain GUARANTEES regarding the benefits we verify and therefore cannot pass any GUARANTEES along to our patients. Benefits differ from insurance to insurance and plan to plan.

★ **INDEPENDENT VERIFICATION** - We ask that patients contact their insurance company and obtain benefits for therapy services independent of STAR's verification. If anything is found to be different, we ask that you call or alert us immediately at your next visit. The last thing STAR wants is for a patient to be billed for an unexpected amount! We strive to provide BOTH clinical & administrative EXCELLENCE at STAR!
